## PUBLIC NOTICE

### AMENDMENTS TO ANNUAL ACTION PLANS: NEIGHBORHOOD STABILIZATION PROGRAM

The Town of Cicero invites public review and comment on the proposed amendments affecting the annual action plans as identified in the following information:

Originally, the Town of Cicero designated 7 Census Tracts as part of the NSP Target Area. However, all Census Tracts within the Town of Cicero showed a need for NSP Assistance. As REO Properties continue to expand into the Non-Target Area”, the Town of Cicero has determined it is in the best interest of the NSP Program, and it’s applicants. to expand the Target Area to include all Census Tracts in Cicero. The Town of Cicero will still give priority to the original Target Area, but the expansion will still meet the intent of the Housing And Economic Recovery Act.
